MAJORE DE LOS ANDES - PERU

byInkaterra

A fascinating experience in the midst of the rainforest, **Amazon Field Station** inspires ecotourism leaders to excel in guiding skills, manage ecological initiatives, and gain knowledge of various ecosystems in the Madre de Dios region. New facilities in the decades-long Inkaterra Asociacion Research Station.

*"Head to Tambopata National Reserve in the heart of the Amazon, where Inkaterra's new Amazon Field Station hosts volunteers and travellers eager to engage in research conservation and social projects."*
