Luxury Travel (<https://www.machutravelperu.com/blog/category/luxury-travel>), Peru Activities (<https://www.machutravelperu.com/blog/category/peru-activities>), Travel to Amazon (<https://www.machutravelperu.com/blog/category/travel-to-amazon>).

Would you like to travel to Tambopata? If your answer is yes, you are among the majority of travelers! But to explore this vast and remote region, we highly recommend planning your visit and guarantee a satisfying experience in the jungle of Peru.

Located in the Madre de Dios region, [Tambopata National Reserve](https://www.machutravelperu.com/blog/tambopata-national-reserve) is a haven of biodiversity in the heart of the Amazon. This national park offers visitors the opportunity to stay in an Amazonian lodge, where they can enjoy the rainforest experience and the lush flora and fauna of the area.

The Jungle experience allows you to immerse yourself in the majesty of the [Amazon in Peru](https://www.machutravelperu.com/blog/amazon-in-peru) (<https://www.machutravelperu.com/blog/amazon-in-peru>). It is unforgettable, combining the comfort of the lodges with the natural wonder of one of the most diverse ecosystems on the planet.

So, you may wonder how to choose the best and most authentic Tambopata lodge or the best Amazon tour, but you don't have to worry about anything! We have in mind some exciting options offering all-inclusive tourist services such as entertainment activities and delicious Amazonian food for you to live a unique experience in the jungle and get carried away by its landscapes, biodiversity, and lakes, such as [Sandoval Lake \(https://www.machutravelperu.com/blog/sandoval-lake\)](https://www.machutravelperu.com/blog/sandoval-lake) or Malinowski Lake, among others.

Therefore, together with **Machu Travel Peru**, we have prepared an article about some of the best lodges in Tambopata.

At least two hours of travel are required to reach *Posada Amazonas*. One-hour road trip from Puerto Maldonado airport, followed by a leisurely and pleasant hour-long boat ride on the Tambopata River. This last walk often includes the first **wildlife sightings**. You can see macaws clay lick, monkeys, capybaras, and alligators along the way. Amazing! At this point, you will be officially in the Peruvian jungle. This jungle paradise offers you a vast and unique set of engaging activities. Among them are piranha fishing, boating, agriculture, ethnobotanical walks, canopy, and many more.

There are many opportunities to see wildlife. Also, you can discover and learn about our ancient indigenous heritage (*Ese Eja* tribe). Besides, *Posada Amazonas* allows you to create your personalized adventure. As a result, your tours of the Amazon will be extraordinary. Note that *Posada Amazonas* is located within the private reserve of the *Ese Eja* Native Community. More specifically, the family of *Infierno*. This lodge in Tambopata provides full-time employment to the *Ese Eja* people. Staying at this Tambopata hostel supports the conservation of indigenous culture and land.

**The perfect place for nature lovers. This lodge in Tambopata is located deep in the tropical jungle. Refugio Amazonas requires at least four hours of travel.** You must travel by road about forty minutes from the Puerto Maldonado airport. Followed by a three-hour boat trip on the Tambopata River. This secluded paradise offers a wide variety of science and adventure-focused activities. If you plan to travel with your family, this site is ideal for children.

**Refugio Amazonas serves as the headquarters of a citizen science program, Wired Amazon. This program connects guests with the science and discovery of the Amazon impressive.** But even more interesting is that Refugio Amazonas is committed to recovering the shelter's surrounding area. Some of the activities offered at this Tambopata lodge include Visiting the macaw and parakeet clay lick, climbing the canopy tower, jungle farming, sunset cruising, boating around meandering lakes, sighting some Peruvian animals, and much more.

Tours in Puerto Maldonado have unique experiences. And the Tambopata Research Center is the bridge to enjoy those dazzling jungle adventures. To get to the Tambopata Research Center, you must take a one-hour road trip from the Puerto Maldonado airport. Then, you must take a three-hour boat trip down the Tambopata River. All to reach the Amazon Refuge, where you will spend the night. You must take a four-hour boat trip to this fantastic Tambopata lodge the following day. The Tambopata Research Center is one of the most remote refuges in South America. You will go further into the rainforest, meaning the best Amazonian wildlife will surround you.

You will see many more large and endangered species than anywhere else. Most regard the Tambopata Research Center as the Jaguar's backyard. Great, huh? But you will have opportunities to see much more than this magnificent specimen, from spectacular bird watching to fantastic hikes. You will even be part of the supporting research and conservation team while you enjoy Amazon rainforest animals (<https://www.machutravelperu.com/blog/amazon-rainforest-animals>). You can be part of activities such as the canopy tower, and enjoy rooms in harmony with nature. Therefore, the Tambopata Research Center is the best option for an extended stay!

**The Inkaterra Reserva Amazonica could be considered one of the most exotic and elegant lodges in Tambopata. This establishment was one of the first projects carried out within the private reserve.** An incredible canopy of virgin forest surrounds it. This excellent Inkaterra signature property features elegantly designed cabins. Its cabins are private, and you can enjoy great amenities and services. From a luxurious spa, impeccable service, and numerous experiences available within the jungle.

So you can expect an example in their service, charming facilities and cabins, and a series of world-renowned tours in Peru. This fantastic hostel offers guests a rustic stay with modern comforts and luxuries. You can enjoy the shells, canopy walk, river fishing, and different hiking trails among your excursions. Enjoy the luxurious spa with traditional treatments, including jungle plants and medicines. Or take some time in your cabin's relaxing private pool. So if you are [planning a trip to Peru](https://www.machutravelperu.com/blog/planning-a-trip-to-peru) (<https://www.machutravelperu.com/blog/planning-a-trip-to-peru>) and visit this lodge, it will be a great decision.

Inkaterra Hacienda Concepcion is another lodge in Tambopata belonging to the Inkaterra firm. It is one of his latest projects, awarded for his distinctive service to his guests. In addition to the different adventures in the jungle and its cozy rooms, you can enjoy a unique experience. It cannot be denied that enjoying this place will make your stay unparalleled within one of the most famous nature reserves.

This lodge offers different rooms within the main lodge or private cabins in the jungle. This renowned hostel has a great series of luxury benefits. Because it is managed by one of the leading ecological agencies in Peru. Take advantage of your stay and enjoy the various tours on the treetops, visit the Cocha lagoon, and experience many other fascinating scenarios like the birds in Tambopata (<https://www.machutravelperu.com/blog/birds-tambopata-national-reserve>). The Inkaterra firm specializes in transforming those adventure expeditions in the jungle into luxury experiences. Therefore, you can expect the modern comforts and benefits of a 5-star hotel, in the version of a lodge in the jungle.
